

2285 – Short Panel, Insulated (shown above with optional Stockton inserts)

2286 – Long Panel, Insulated

4285 – Flush Panel, Insulated

A beautifully sound, top-of-the-line model designed to be both energy efficient and low-maintenance. This door features a pre-painted, easy-to-clean steel exterior with an insulated core and is built to fill the most demanding requirements. Owners will soon find themselves taking for granted the longevity, durability, and smooth operation which comes naturally to a door built this well.
