

## Window and Optional Features and Accessories

### Optional Window Designs

24" x 6"

24" x 12"

FULL-VIEW

### Optional Features

#### INSIDE SIDE LOCK

The inside side lock is a wise decision for added security when you are not around. (Torsion only)

#### EXHAUST PORT

An exhaust port is an optional feature to keep those unwanted fumes from lingering around the work area.

### TORSION SPRINGS

- Torsion springs are helically wound with stress relieved oil-tempered wire.
- Springs are individually-calibrated for each door.
- Counter-balance torsion shafts are galvanized for rust resistant.
